## WITHIN THE LAW CLOSING BILL OF WEBB'S COMPANY

Tonight and tomorrow matinee and night the Players' all star company, will offer their last performance here in the New York sensational drama, "Within the Law." This great Bayard Veiller play which has scintillated the globe created a new idea in theatricals and is the only play that has proven a reigning success under three flags at one time. Today there are eleven companies touring the United States, three companies in England and one company in Australia, all reaping fortunes unprecedented by any former productions. "Within the Law" will be remembered as the one play that really startled the theatergoers in New York and further more caused the Emporium of New York and three other of the largest wholesale houses to raise the wages of all of their female help. The play is one that depicts both action and theory as it really is now used throughout the larger cities. It also pictures the grilling and gruesome city police methods that the police of New York are alleged to have in force. It tells the methods of the third degree, that you hear about but never see. It also shows a poor innocent girl, convicted and sentenced to prison for 3 years for the theft of goods of little value, by a hard hearted proprietor of a large firm. It also brings in use the latest firearms that are known, and the most dangerous weapon that the finished criminals use, the Maxim Silencer, a weapon that baffled the New York police force and is now prohibited by the authorities from selling or manufacturing. "Within the Law" was the opening play for the Players and this was the first stock production given of this play anywhere in the world. The Players made the best impression upon their opening of any former companies and their departure will be deeply regretted by local theatergoers.

Robert had two little playfellows who were passing the afternoon with him. They finally began boasting about their parents and belongings. "My father," bragged Robert, "is going to build a fine house with a steeple on it." "That's nothing," exclaimed Louis, scornfully. "My father has just built a house with a flagpole on it." Sherman, who had been listening intently, was silent for a moment, then burst forth triumphantly: "Gee, that's nothing. My father is going to build a corking house with a mortgage on it."—Harper's.

### Crude Calculation.

"You will admit that two and two make four," replied Mr. Dustin Stax. "But if you're dealing with millions, you ought to make two and two produce a very much larger total than four."

## DOYLE AGAIN ARRESTED ON FEDERAL CHARGE

Upon complaint sworn to by District Attorney Jeff McCann, Joseph A. Doyle, now under indictment in the federal court on a statutory charge, was arrested late yesterday afternoon charged with depositing unmailed matter in the local postoffice. The district attorney alleges that Doyle wrote one particular letter "containing writing of an obscene, lewd, lascivious and filthy nature." Doyle waived examination before United States Commissioner Charles S. Davis and was committed to the October term of the federal court. He was released on a bond of \$500.

The unmailed matter in question is alleged to be in the form of a letter, which, the district attorney charges, was deposited in the local office and addressed to "Mrs. Viola A. Doyle, 6725 California street, San Francisco, Cal., care of Mrs. P. Campbell." Mrs. Viola A. Doyle now is in Honolulu as a witness to testify in the case against Doyle and his present wife, Maude School-Doyle, which has been set for July 13. Mrs. Viola A. Doyle is one of Doyle's three divorced wives. It is said that Mrs. Viola A. Doyle also received a number of other letters from Doyle, and that she has turned these over to the district attorney.

## FREAR TO ACT FOR CHAMBER IN WASHINGTON

"Frear, Army and Navy Club, Washington:

"Terms accepted. Arrange appear before board engineers rivers and harbors press necessary enlargement Honolulu harbor by extension to Kapalama basin. Full data and information by mail.

"Chamber of Commerce of Honolulu."

The foregoing cablegram yesterday was forwarded to former governor Walter F. Frear, in Washington, by the Chamber of Commerce of Honolulu, which was the first step taken by the chamber in carrying out its intention of retaining Mr. Frear as its representative in the national capital.

The Chamber of Commerce, upon receiving notification recently that those interested in the matter of the harbor extension proposition had but 60 days in which to present arguments in favor of the project, immediately got busy, as did the harbor board and other bodies. The chamber appointed a special committee to prepare a statement of conditions and a history of the project for presentation before the army board of engineers on rivers and harbors, and a cablegram forwarded Mr. Frear asking if he would represent the chamber in the matter. Mr. Frear's affirmative reply caused the immediate dispatch of the foregoing cablegram.

## GEORGE CASPER WELL RECEIVED BY MUSIC LOVERS

Herr George Casper, the Austrian violinist, made his initial bow last night to Honoluluans at a recital given at the opera house.

The violinist was warmly applauded by the audience of music-lovers who had assembled to hear him, and they showed appreciation of both his fine technique and expression, and the selections he had chosen to play. His program was arranged with unusual good judgment and was, in a way, representative of all the different moods of a violin, from the gay light little folk music to the deep moods of Handel.

Last night marked the first public appearance of Professor Casper in Honolulu. His artistic playing, which rose far above the mediocre, charmed the audience. It may be regretted that this audience was not larger than it was, for a really more delightful recital would be hard to find. He was assisted by Miss Florence Tewksbury at the piano.

The following is the program:

- (a) Chanson Louis XIII et Pavane—Couperin-Kreisler.
- (b) Meditation from Thais—Massenet.
- (c) Menuet in F (1685)—Handel.
- (d) Gavotte (1741)—Gretry-Franck.
- (e) Pierrot Serenade (Modern)—Randegger.
2. Sonata in A Major—Handel. Andante. Allegro. Adagio. Allegro Moderato (Sicilienne).
3. (a) Romance—Svendsen. (b) Duo (violin alone)—Leonard.
- (c) Schen Rosmarin—Kreisler. (An old Viennese dance, arranged for concert purposes by Mr. Fritz Kreisler.)
- (d) Seconde Mazourka—Wienlawski.
4. Concerto in A Minor (No. 2)—Viotti. Allegro (First Movement).

### BAND TO PLAY DANCE MUSIC FOR KAIMUKI

An innovation is proposed for the Kaimuki band concert on Monday evening next. Instead of giving the concert on the Waialae road veranda, Captain Berger intends to play in the assembly hall of Liliuokalani school. He will throw in dance music for a large part of the program, so that the people of the district may mingle in a sociable hop.

Heretofore some of the band concerts at Kaimuki have met with disagreeable conditions of excessive winds blowing into the backs of the audience and the faces of the musicians, the trees along the front not yet having grown to windbreak size, and occasionally showers have driven the people away. It has therefore occurred to the veteran bandmaster to try the experiment of an indoors orchestra concert at Liliuokalani school.

China now has more than 5600 miles of railroads and is building 2273 miles more.

### OFFICERS ELECTED.

Officers to serve during the coming year were publicly installed in E. celisior Hall last night by the members of Olive Branch, Rebekah Lodge, No. 2, I. O. O. F. The affair was well attended and the tasteful decoration of the hall added materially to the attractiveness of the ceremony.

Those officers installed were: Mrs. Annie Gribble, noble grand; Mrs. Mary Cross, vice grand; Mrs. Susan Lando, secretary; Mrs. Rose Lando, P. N. G. treasurer; Miss Myrtle Martin, warden; Mrs. Margaret Armstrong, conductor; Mrs. Alice Samson, P. N. G. chaplain; Jacob Lando, P. G. R. S. N. G.; Mrs. Margaret Ferguson, P. N. G. L. S. N. G.; Mrs. Alice Bicknell, P. N. G. R. S. V. G.; Mrs. Emma McKeague, L. S. V. G.; Miss Henrietta Tucker, inside guard and Richard Cheatham, outside guard.

After the installation ceremonies all present went up to the roof garden where refreshments were served.
